**HEARS ARGUMENT IN ETTRICK CASE**

Judge Watson Will Soon Decide as to Incorporation of Village.

**SUIT SETTLED OUT OF COURT**

Contract Awarded for Erection of Sunday School and Parish House.

Times-Dispatch Bureau, 109 North Sycamore Street, Petersburg, Va., May 20.

The petitions for and against the incorporation of Ettrick were presented to Judge Walter A. Watson, of the Circuit Court of Chesterfield county, on Wednesday, and the hearing of evidence pro and con, with argument of counsel, was not concluded until late yesterday afternoon. Judge Watson reserved his decision, to be rendered later, and in the meanwhile, on Monday next, will visit Ettrick and make personal inspection of the village and the territory proposed to be incorporated.

The citizens of Ettrick favoring incorporation were not represented in the proceedings before the court, but the opposing interests were. The citizens and non-resident property owners opposing incorporation were represented by George Mason, of this city. The Atlantic Coast Line Railroad Company, which has important interests in the territory it is proposed to incorporate, was represented in opposition by E. P. Cox, of Richmond. George S. Bernard, of Petersburg, was present in the interest of the Norfolk and Western Railway Company, but not to oppose or advocate incorporation.

The impression is that Judge Watson will be guided in his decision from a business point of view, whether or not it will be advantageous in this respect to grant incorporation. The territory it is proposed to incorporate has about 1,600 inhabitants.

**\$60,000 Damage Suit Settled.** When the jury trying the \$60,000 damage suit of Charles M. Ambold against the Atlantic Coast Line Railroad Company was called in the Hustings Court this morning at 11 o'clock it was adjourned over until Tuesday morning next. The court was not ready to give its instructions, on which it had spent much time and care in preparing, and furthermore the court had received an intimation that a compromise was being considered.

**Death of Dinwiddie Farmer.** William F. Baugh, a prominent and successful farmer of Dinwiddie, and widely known in this city and section, died evening before last in his home near Carson's Station. He was seventy-one years old and is survived by his wife and six children. Mr. Baugh was a member of the Baptist Church and very active in Christian work.

**Meeting of Memorial Association.** A meeting of the Ladies' Memorial Association was held to-day in A. P. Hill Camp Hall, and matters in reference to the unveiling and dedication of the eight newly installed memorial windows in old Blandford Church on June 3 and the annual Confederate memorial services in Blandford Cemetery on June 5 were considered. The program for these dual services, however, was not completed.

The State memorial windows to be installed on June 3 are those of Alabama, South Carolina, Tennessee, Mississippi, Maryland and Arkansas, and it is expected that representatives of each of these States will be present.

**Contract Awarded.** The vestry of St. Paul's Episcopal Church has awarded to J. R. Wade the contract for the erection of a Sunday school and parish house at the Church of the Good Shepherd, in Blandford. The new structure will be of brick, of the same style of architecture as the church, will be attached to the church, and will have entrances on Main and West Streets. It will cost about \$3,500.

**Permanent Musical Association.** At a meeting of the Petersburg Music Chorus and other lovers of music last night it was unanimously decided to permanently organize the Petersburg Musical Association, and a committee was appointed to frame a constitution and by-laws for the association.

**News in Brief.** The William H. Harrison Company, Sycamore Street, expect to move into their new four-story store on Washington Street by the first of June. The Petersburg Dry Goods Company will soon occupy their new brick store on Union Street.

County's Butterworth, of Dinwiddie, has sold one of his granite quarries to Mr. Bedford, of Richmond, the contractor for the new post-office building in that city. The reported price was \$40,000.

The Finance Committee has decided to recommend to the Council the appropriation of \$8,000 for the purchase of a site and erection of suitable buildings for the Agricultural Fair.

This precedent returned a solid vote of forty-three for Price. The judges were Grover Downing, Henry Wines and Downing White, Downing and Wines pleaded guilty and were each fined \$100 and the costs.
